Uganda Fund-Raising News

Thank you to all the parishioners who have contributed to this project.

With the funds raised at Christmas and Easter, we have now been able to send enough money to provide all the girls who board, with beds, a new mattress, sheets, pillows and a blanket so they can start using the new dormitory very soon. Here is a picture of the 'double decker' beds being made for them in the nearby town of Kabale.

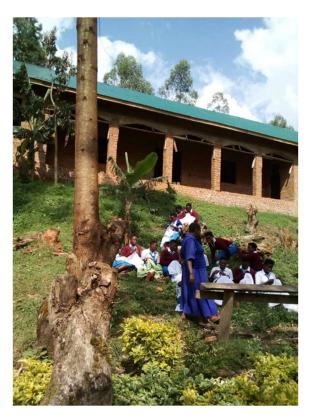

If you recall, the priest who directed the school (Fr Evarist) passed away with Covid just before Christmas. The school is now managed by sisters and our Father Sunday (who many of you have met) is directing the school from afar. He sends me regular updates and keeps a very close eye on all the money we send.

Here is a recent photo of the girls sewing outside the new dormitory. On the next page is a Thank You and Happy Easter message from the girls.

With the students back in school we have replenished our stock of Birthday, Thank you, Sympathy, Thinking of You etc cards – so please keep on ordering these. They have been well-received by everyone and are good value at £1 each.

Call Ruth on 01524 770706 to order or email ruthclowe@gmail.com.

Thank you
