What is pure unspoilt religion?

All the blessings and gifts we have come from God. In order that our lives bear fruit, St James says: You must do what the Word tells you. We do this by focusing our energies not on ourselves, but on others. The Scribes and Pharisees did not get this right: they focussed on themselves and ignored the needs of others. They saw themselves as beyond criticism simply because they did just as the Law of God required of them. What an easy trap to fall into! We can be caught out by this too. This trap springs when we forget that a life of faith is one that seeks conversion of heart. This is why God has

given us the wonderful sacrament of confession; because we all have tendencies to fall away from what is true. The Cross is our symbol; it is a reminder of both the historical gift of Jesus and it is also our call to join Him in living the gift of sacrificial love. In considering the needs of others over our own we leave selfishness behind and begin to live the Love of God.

It is: coming to the help of orphans and widows.

Fr Luiz is Away

Just think,

You're here not by chance, but by God's choosing.
His hand formed you and made you the person you are.
He compares you to no one else — you are one of a kind.

You lack nothing

that his grace can't give you
He has allowed you to be here at this time in history
to fulfill His special purpose for this generation.

Extension to Our Lady's, Caton

Work on the new extension to Our Lady's, Caton has begun with the demolition of the porch. Through the week, access to the church will be difficult, the car park will be locked and so there will be no weekday Mass there this week. Tuesday Mass will be at Hornby at 8:00 am. Saturday vigil Mass will be as normal, and you should be able to park as usual in the car park. We'll keep you updated on the progress of the work.
