

OLCC Sixth Form Uganda Action Group Lenten Fund Raising

Thank you to everyone who contributed to our Christmas fund-raising project – the total raised has now exceeded £1,500. This money is being sent to the Vocational School (The Home of Divine Mercy) which we have been supporting in Uganda. It is being used to buy beds for the new dormitory.

Just before Christmas, we heard that the director of the school had suddenly contracted Covid and died within a few days of falling ill. He was 47 years old. His work will continue in the hands of a group of three sisters who will be assisted from afar by our friend Fr Sunday, who some of you have met. He now works for the NHS as Chaplain in Coventry. We are confident that all monies raised will be accounted for.

Students and staff are hoping you will consider purchasing some of the following items which we will be busy making in the next few weeks. Please contact Ruth Lowe on 01524 770706 or r.lowe@olcc.lancs.sch.uk . We can deliver to your home on request.
